Programme / Drama Writers

for plays up to 1 hour or other formats

We urgently require those willing to produce the quality scripts that radio demands. Previous experience in writing for radio is ideal, though rare. Enthusiasm and time is required, though! Our dramas are often based on Bible stories, in 15 minute durations and for full

productions: in 13 episodes.

PFT Writers

for Pause-for-Thoughts from 30 seconds to 3 minutes

We need people to write short, attention-grabbing scripts. Previous experience is not essential, but having ways to catch the ear of the non-religious listener is. We usually have an attention-grabbing story with an evangelical punch at the end. using short dramas, monologues, or spoof-adverts, thoughts (or PFTs) can be individual or in a series

Internet Audio Engineer

for Drama Crews and other programmes

We provide full training 'on-the-job' and if you like working with sound, buttons, knobs and gadgets, this is the one for you!

Drama Voices

Out-of-vision actors taking challenging character roles in radio drama productions

Previous drama experience is useful, though not necessary. You will be expected to take part in a Voice Test, but don't panic... this is just to give us an idea of what characters would best suit you and establish your previous experience.

We also have a number of non-radio, admin and back-room jobs

which if you have the time, we have the post for you!

To register your interest, to take up any of the above opportunities and for more information about joining the Commission Team, please tell us a bit about yourself.
